Hello Participants,

Attached is a Running Order for the upcoming Field Event. Please note the START Time is 7:30 am!

WE ARE FULL! While we are flexible, we expect you to touch base with the Secretary Desk - check the white board for any changes! In order to get through the number of dogs entered we expect you to be on the line when it is your turn, otherwise we will go with the next person in line, you will then run at the end of the Stake. As long as we have daylight you will be allowed to run your dog.

We will be running Field #1 and Field #2 simultaneously. - Field #1 we will start the FD dogs that are assigned to Field # 1 followed by FDJ dogs - All FDJ will be run in Field #1 ONLY.

- Field #2 will start with FDX Braces, once complete will continue with FD dogs assigned to Field #2 (more details will follow Monday morning).

Plan to be at the Field an hour before your approximate running time.

When you come to the line, please make sure you have a 4' or 6' leash (no longlines), a starter pistol. If you don't own your own starter pistol, borrow one from someone at the event or speak to the person at the Secretary's Desk.

Please be prepared for a variety of weather - the fields will be wet. Bring food/water for you and your dog, there will be no concession on site.

Please keep your dog on leash unless it is running and please clean up after your dog.

We need many volunteers for Field events - no experience necessary, we will teach you! Please add your name to the list at the Secretary's table or let me know via email what you would like to do. The club will provide sandwiches/snacks for volunteers.

If you have any questions please do not hesitate to contact me via email - [eventsecretary.vipdc@gmail.com](mailto:eventsecretary.vipdc@gmail.com)
