Covid Guidelines

As a club, we are privileged to be able to offer tracking tests this year, and as handlers, we consider it a privilege to run at one. We are very thankful to the landowners for allowing the use of their properties. We ask that all judges, handlers, and volunteers adhere to the guidelines listed below.

- Please bring all supplies necessary for yourself and your dog- this includes water, food, hand sanitizer, medications, rainwear, etc.
- Due to the recommended number of people at events and to decrease the possibility of the spread of the corona virus, only the actual dog handlers and event volunteers are permitted on any given site
- We recommend that you always keep a bottle of hand sanitizer in your pocket
- Please always ensure physical distancing. Even though there may be handlers present who are in your “bubble”, we ask that a 2-meter distance be maintained at all times unless another handler is in your immediate family.
- Ribbons and awards will be given in the field to successful teams.
