RAFFLE

The GRCBC will be selling raffle tickets for this Gunners Up Son-of-a-Gun Winger. We all need field training equipment to carry on in this great sport, what better way to support a local club and to add to your "equipment stash" an expensive piece of equipment which will do so much to improve your game.

Tickets will be sold at the May Hunt Test, July WC Test and will be sold and drawn at the September Hunt Test.

We will also be hosting a raffle table at each event where you can purchase tickets and take home your "prize" immediately. Donations for this raffle are gratefully accepted and can be brought to the test. Please email Christine Kobler at redgold@shaw.ca if you are able to donate something.

"Our new Gunners Up "Son of A Gun" (SOG) is the answer to all the requests we received for a smaller more compact launcher. The SOG is a smaller more compact version of our original Gunners Up Launcher coming in at 49 inches tall, 24 inches wide and 2 inches thick when folded. It will fit comfortably in most SUV's, Pickup Beds, and Dog Box Breezeways. The "SOG" and all 2006 Gunners Up Launchers feature stainless steel hardware, hinges, and pulleys to prevent corrosion and wear in any environment. Our newly designed release mechanism features a Servo driven release, 209 primer shot, and "Safety" latch to prevent launcher from firing prematurely.

The arc and throw mechanics of the Son Of A Gun is just like the original Gunners Up Launcher. You can control both arc and distance by moving the front legs in or out. The throw is a little shorter than the original Gunners Up but the SOG launches a bird higher and more accurate than a hand thrown bird without getting tired or hungry!

Features

The SOG performance varies on object being launched but on average you can expect the following distances:

- Duck: 15 Yards
- Bumpers: 25 Yards
- Dokkens: 20 Yards

Specs:

- Weight-15.5 lbs
- Height When Folded-49in
- Width-24 in
- Thickness When Folded-2in
