**COVID INFORMATION:** The Government of Alberta has moved into Stage three of the "Open for Summer Plan", which means that virtually all restrictions have been lifted and all public health orders have been rescinded, with the exception of isolation and quarantine requirements and masking mandates in healthcare settings.

As such the following remains in place:

You are legally required to stay at home and isolate if:

- 1) you are experiencing cough fever, sore throat, shortness of breath, runny nose or loss of taste or sense of smell, that is not related to a pre-existing illness or health condition.
- 2) You have been in contact with a confirmed case of covid-19.
- 3) You have tested positive for covid-19.

Masking at the show is not mandatory with the following exception: If a judge is wearing a mask while completing their assignment, exhibitors must also don masks while in the ring. Masks must be worn correctly over the face for the examination and then can be pulled down or taken off for moving the dog. Masks will be available at ring side for those who require them.

We encourage everyone to be respectful of others and try to social distance and maintain good hygiene practices wherever possible.

Do not gather in large numbers at the ring side. There will be lots of room for everyone to space out and practice social distancing. Hand sanitizer will be available at the ring and washrooms and we encourage you to bring your own.
