Curious about the new Working Levels in CARO? Come out for an evening with judge Sarah-Jane Petti to learn the ins and outs of this exciting new branch of CARO. The rules of how this sport will be covered, including what is needed to enter, working proficiency test, the 10 different exercises (specifically with the Rookie level in mind) and some ideas on how to start training the exercises.

Sarah-Jane Brenner-Petti is in her 10th year of judging CARO and is also a licensed CKC and World Cynosport (formerly APDT) licensed judge. She has put a total of 18 rally titles on her two dogs and earned the first Novice, Advanced, and Versatility titles on any dachshund (all varieties) in Canada.
