## Judge Biographies

### **MARGARET HENIGMAN**

I can't think of a time in my life when dogs didn't play a significant role. I came from a large family and we always had dogs growing up in New Westminster. I started obedience training my very own first pup in 1960. Tass was a Lab/Samoyed cross and I was to learn that she was a real handful with a mind of her own but with a huge heart. She taught me a lot about the value of patience and consistency in working with this amazing species. Years later and after raising my daughters I moved to Nanaimo where I was active in Obedience and Agility with my Shelties. In 1999, I completed my first UD with Marpoint's Charlotte Harlot OTCh. Carley was also a wonderful clown and she sealed my love of Obedience and Rally Obedience. She also sparked my interest in judging. Eventually, I was smitten by the intelligence and wonderful attitude of Papillons. I completed 2 more UDs with Ch Keandas Blazing Rainbows OTCh and Ch Littlewing's Tiddlywinks OTCh, RAE. My youngest, Ch Littlewing's Satin Flower CD is currently very active in Scent Detection for which I am also licensed under CKC rules. I have so enjoyed judging and am constantly inspired by the courage and love shown by Obedience competitors for their wonderful dogs and look forward to many more years as an Obedience and Rally Judge.

### **DAVID FREI**

*New York Magazine* once called David Frei "*probably the most famous human in the world of canines.*" As the co-host of NBC's *National Dog Show Presented by Purina* since its inception in 2002, David is seen every Thanksgiving Day by the largest TV audience for any dog show - more than 25 million viewers each year. It is the same role that he perfected in 27 years as the longtime (1990-2016) co-host of USA Network's Westminster Dog Show. He has now added to his NBC duties as co-host of the Beverly Hills Dog Show, which debuted in 2017.

In 2018, David was inducted into the prestigious Dog Writers Association of America's Hall of Fame. *Petside.com* named him as the Pet Person of the Year in 2011, and in 2015, *Dog Fancy* magazine, in its final issue, included him in a retrospective, "45 People Who Changed the Dog World." For many years, David's charity, Angel On A Leash, created and advocated for therapy dog programs many places, expanding nationwide and receiving many honors for its wonderful accomplishments.

A breeder-owner-handler and judge in the world of purebred dogs for more than 40 years, his dog, Ch. Stormhill's Who's Zoomin' Who, was the top Afghan Hound in the country in 1989 and retired as the top-winning female in the history of the breed. He is licensed by the AKC for Afghan Hounds, Cavalier King Charles Spaniels and Brittanys. He has officiated at shows in the U.S., Canada, Australia, Denmark and China.

### **MARY BETH SQUIRREL**

I was introduced to Cavalier King Charles Spaniels when I was 13 years old and working my first job with our local Veterinarian. She owned a tricolour girl that immediately stole my heart. Several years later, I purchased my first Cavalier; a beautiful tricolor girl that I named Zoey. Even though I bought Zoey as a pet, her breeder encouraged me to join our regional and national club, so I did.

Prior to getting involved with dogs, I was active in showing hunter ponies, and had a special interest in showing and breeding Murray Grey's, a rare breed beef cattle. I learned about pedigrees, genetics, artificial insemination/frozen semen and using breeding to help preserve and improve traits from my grandmother. She was a talented farmer that had her own beautiful herd of Hereford's. I also became involved in the 4-H judging program and won the provincial competition at the Royal Winter Fair for horses.

Although breeding and showing dogs was new to me, it was filled with similar fundamentals as livestock. After a few shows with Zoey, I realized she was not the strongest in show potential, yet that "bug" had already struck. It wasn't long before I was making my efforts toward having my own Cavalier breeding program. My foundation was a black and tan bitch that we named Molly (CH Mysticmoon's Danika, ROM). It took me several years of learning, and a few mistakes before I connected with Karen to get Molly. I had NO interest in

having a black and tan. Truth be told, I didn't really like them. Molly though was sound, very typey, and had that infectious cavalier temperament. She also had lots of good health behind her, thanks to the conscientious breeders in her pedigree. The joke was on me when she had her first litter, and I found out that she was black and tan dominant. My next generation would also all be black and tan! These days, I breed all 4 colours, but still have a special interest and fondness for whole colours.

Since Molly, there's been multiple Canadian championships, some grand championships, multiple majors in the US, and a few register of merits earned. Now, I've been taking interest in judging, and again in many ways it's familiar to my past. I've been focused on taking assignments when I can, accumulating my ring stewarding hours, and working towards completing the requirements to submit my application for my permit. Thank you so much for inviting me to judge your sweepstakes.

### **RICK ALDOUS**

After growing up with various dogs, my introduction to the Cavalier King Charles Spaniel came in 1985 acquiring a pet Blenheim. What an affectionate and endearing breed they are, with those big round, expressive eyes that could never fail to win you over!

My interest grew to exhibiting and breeding in the mid 90's after believing a crazy tricolour girl we acquired was good enough to show. She wasn't that special, though placing at all shows attended, and was disastrous in the whelping box! But, this interest led to a serious hobby of exhibiting and breeding combined. Our breeding today goes back to the 2 original girls we started our line with 26 years ago, both Ch Telvara Karban Kopy daughters that culminated in my first UK Champion in 2004, Ch. Aranel Ballistic, who also won Best of Breed at Crufts the following year.

Success continued and I have been fortunate to breed 9 UK Champions, many Champions worldwide and also some of our males proving worthy stud dogs for us and other breeders in the UK and abroad. In particular, Aranel Bombastic, Ch Aranel Cosmic, Ch Aranel Genesis. Overseas, AKC Grand Ch Aranel Renaissance, CKCS-USA Ch Aranel Revelation and CKCS-USA Ch Aranel Colby have produced numerous winning offspring. After a spell owning Japanese Chins, we had a UK Japanese Chin Champion and her litter brother, a Swedish Champion.

I've served on dog clubs since 1999 and have served on The Cavalier King Charles Spaniel Club committee since 2014 currently in the role as Vice Chairman supporting the very capable Michael Levy.

I first judged in 1998 and awarded Challenge Certificates for the first time in 2011. Since then, I've had the privilege of judging in many countries in Europe and North America including the U.S.A, AKC and CKCSC-USA.

I look forward to judging the Canadian National and consider it an honour to be invited and thank the Canadian National board for the appointment.

### **JOHN GOODWIN**

My appreciation and love for animal husbandry goes back to being a child growing up in Littleton, Colorado. My family has raised horses and sporting breed dogs since I can remember ... it has been, and continues to be, a multigenerational passion. We got involved in Cavaliers after years of breed study and visiting dog shows over 13 years ago. We adopted Scarlett (Black and Tan), our very first Cavalier and began showing her at six months in AKC. While her structure was great, her size and type left opportunity for us to breed better ... and our journey as a breeder and exhibitor started and accelerated since. It took little time to discover our love for this breed but a lot of time and patience, success and failure to understand the conformation and health opportunities in front of us.

Through the years my journey includes my daughter Elise and my wife Tracy. Both of whom have been deeply involved and supporting me with grooming, showing, traveling, whelping, health testing, documenting and clean-up for our entire family of Cavaliers. It is also important to note or emphasize the point- it takes a village and without our many mentors (formal and informal), none of us would be here today.

My day job is serving as a strategic advisor to many Presidents, Provosts and Chancellors of colleges and universities worldwide in building online degree programs. To name a few, my teams have built the online programs for Arizona State University, Rutgers University, Kings College, Leeds College, University of Sydney, University of New England (AUS). Before my career in education, I was a founding member in building Travelocity.com and have held various other roles inside the travel industry... Cruise Director being one of them (definitely a conversation starter).

It is my honor to judge our beautiful Cavaliers in Sweeps.

15.1.2 The schedule to be employed in the determination of the number of points awarded Winners shall be as follows:

\*Includes the dog awarded Winners

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall not be included in the calculation for championship points.

15.1.3 If a dog awarded Winners is also awarded Best of Breed at the show, then all dogs competing in the breed, including Specials Only, shall be included in the total.

15.1.4 If a dog awarded Winners is also awarded Best of Opposite Sex to Best of Breed, then all dogs of the same sex including those competing in Specials Only shall be included in the total.

15.1.5 If a dog awarded Winners is also awarded Best of Winners, then all dogs defeated directly or indirectly in the breed shall be included in the total.

15.1.6 If a dog is awarded Winners only, then all the dogs of the same sex in the class competition shall be included in the total.

15.1.7 The number of championship points to be credited to a dog awarded Winners shall be determined by the highest award earned and calculated as per this section.

Clarification:

Example of directly or indirectly defeating: If the Winners Bitch is awarded Best of Opposite Sex but not Best of Winners, the Best of Winners Dog shall be deemed to have indirectly defeated the Specials bitches, and is thus entitled to add them to the number of dogs and bitches defeated.

15.1.8 In addition to championship points allocated at the breed level, a dog awarded Best of Breed that also places in the regular group competition shall be credited with the following additional points provided that a dog was defeated at the group level.

Number of Dog Competing at Group Level	Dog Placed First	Dog Placed Second	Dog Placed Third	Dog Placed Fourth
13 or more	5	4	3	2
10 to 12	4	3	2	1
6 to 9	3	2	1	1
5	2	1	1	1
4	2	1	1	0
3	2	1	0	0
2	1	0	0	0
1	0	0	0	0

15.1.9 A dog may not be credited with more than five (5) championship points in a single show.

15.1.10 Permission shall be granted a club or clubs to hold shows in such a way that any dog may earn three (3) sets of championship points on the same day, provided that one or more of those sets of points is awarded at a specialty for that breed or group.

15.1.11 A dog awarded Winners that also places Best in Show at an all-breed conformation show shall be credited with five (5) championship points inclusive of any points earned at the breed and group level.

15.1.12 In order for a dog to be recognized as a champion and its owner provided with a championship certificate, the dog must:

- (a) earn at least 10 championship points under at least three (3) different judges;
- (b) be registered in the records of the CKC, have an Event Registration Number (ERN) or have a Miscellaneous Certification Number (MCN);
- (c) have earned at least one 2-point win either at the breed or group level.

15.1.13 The Board interprets the words "earn at least 10 championship points under 3 different judges" to mean:

- (a) Three (3) or more Winners awards at not less than three (3) different shows, under three (3) different judges at the breed level;
- (b) each of the three (3) judge's awards must be one or more championship points won at Winners, Best of Winners, Best of Breed or group placing;
- (c) all points required for championship status may be earned at Winners, Best of Winners, Best of Opposite Sex, Best of Breed or group placing.
