Top Dog Awards for the Weekend

Special awards will be presented to the top small, medium & large dog in each level: Novice, Open & Elite. To qualify for this award the dog must compete in all 4 rounds of Regular Agility, Jumpers, Tunnelers and the T'N'G class during the weekend. Dogs will be grouped according to the level of Regular Agility in which they run. Note: Dogs that have previously competed at a higher level than the one entered at this trial will not be eligible for a Top Dog Award. This award will be calculated on the dog with the most Qualifiers and the least total faults and the winning dogs will have qualified in at least one of their runs to be eligible.

Handler Packages

We are pleased to follow the lead of other clubs and offer the option of 'Handler Packages' (HP). These packages are per handler and can be shared with as many dogs as you have. You can run multiple dogs in class. If you take the package for 8 runs, you can use it all, say running 8 of your dogs in Regular Novice Round 1. Handler Packages are available for Standard, Veteran or Disabled Handler & Junior Handler, from 8 to 14 runs. Pricing is the same as the first dog entered under a category, with runs replacing classes. Ex. A Senior HP for 12 runs is \$105.00. There is no further discount for additional packages.

Weekend packages include 2 Hooper runs (Friday night) and 6 runs per day (Sat. & Sun.) for a total of 14 runs.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACAgility@yahoogroups.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACAgility@yahoogroups.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC. **Levels.** Points earned at a higher level of a class, prior to the completion of the lower level title, will no longer be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
