If you are using a GPS – don't put 'Hope' into the city function. Put "search all", and then choose the address that is found in "Fraser Valley".

Our farm is located about 15 km west of Hope, British Columbia in a beautiful valley surrounded by mountains. We are in an area where Hwy #1 parallels the mighty Fraser River on one side, and mountains on the other. Downriver is on the mountain side of the freeway. You can get there from either of the following exits:

Heading westbound on Hwy #1:

Take **exit #160** that says "Laidlaw, Hunter Creek, Rest area", go under the freeway and turn right at the first road (there's a stop sign at the exit, don't turn there or you'll go onto the freeway the wrong way!! Go to the next stop sign & turn right)). You are now running parallel with the freeway heading towards Chilliwack. Go about 4 km, and turn Left at McKay Road. First driveway on the right - long driveway, blue house, blue barns, blue garage, blue heeleders, but happy people!!

Heading eastbound on Hwy #1:

Take the **exit #153** that says "Jones Lake, Laidlaw". Exit veers to the right - you are now running parallel with the Freeway, still heading towards Hope. 2 kms approx and right on McKay road. 1st driveway on the right - long driveway - blue buildings! Only farm that has sheep.

Some Travel Trivia: *The exit numbers begin at '0' at Horseshoe Bay, and express how many kilometers each exit is from Horseshoe Bay. Therefore, if you pass exit #140, you'll know that you only have 13 km left to go. ☺*
