NON-MEMBER PARTICIPATION FEE

Important: The Non-Member Participation Fee applies to dogs wholly owned by a resident of Canada who is not a member of the CKC; it is not applicable to CKC members or dogs co-owned with a CKC member. In order for the title to be awarded, the non-member will have a choice to either become a CKC member or pay the Non-Member Participation Fee.

Failure to comply within 30 days of notification will result in the title being withheld and the dog cannot be moved up to the next level. (For a Membership application, please go to www.ckc.ca under CKC Services and Forms On-Line). The Non-Member Participation Fee is a fee paid in the calendar year (January – December) in which the dog achieved its title and/or titles.

Tendering of an NSF cheque in payment of entry fees will be considered non-payment of entry fees and is an offence punishable by CKC disciplinary actions and cancellation of awards. The owner of a dog entered in this show is entirely responsible for any error in the entering of the dog regardless of how, or by whom the entry was made.

There will be no refunds on overpayments or duplicate entries.

OBEEDIENCE TRIAL – FRIDAY, SEPTEMBER 4, 2015

The following obedience classes will be offered: Novice A, Novice B, Open A, Open B, Utility A, Utility B, Pre-Novice, Novice C, Novice Intermediate, Brace & Veterans.

Please ensure jump height is indicated on entry form for the Open & Utility classes.

Regular Obedience Classes:

Scores earned by dogs entered in Pre-Novice, Novice C, Novice Intermediate and Veterans are not eligible for High in Trial.

Pre-Novice: Is an elective class and earning the title is not a requirement to enter Novice Classes. The Pre-Novice Class shall be for any Newfoundland which has not earned the title of PCD. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle each dog in all 5 exercises unless he has 2 or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in Group Exercises. Only dogs that have not earned the title of CD may enter the Pre-Novice class.

Novice A: For any Newfoundland which has not earned the title of CD. Only one dog per handler is allowed in this class, and that person must handle the dog in all exercises. The handler of any dog in this class must be the owner, co-owner, or a member of their immediate families and must be eligible to handle under Section 10.1.4 (as follows): No person who has trained or exhibited a dog that has earned a CDX title shall be allowed to handle a dog in this class. When a dog is wrongfully entered in this class, any score awarded will be cancelled.

Novice B: For any Newfoundland which has not earned the title of CD. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle each dog in all six exercises unless he has two or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in the Group Exercises. No dog may be entered in both Novice A and Novice B Class at any one trial.

Novice C: For any Newfoundland that has earned the title CD, CDX, or UD or any Obedience Trial Championship title prior to the closing date of the trial in which it is to be entered. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle each dog in all exercises unless he has 2 or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in the Group Exercises. Dogs may compete in the Novice C class indefinitely. Scores earned by dogs entered in this Class **are not eligible for High In Trial** and do not qualify a dog for any title. Dogs may be entered in the Novice C Class in addition to any other Official or Unofficial classes for which they are eligible.

Novice Intermediate: Is an elective class and earning the title is not a requirement to enter the Open Classes. Novice Intermediate shall be for any Newfoundland which has earned the title of Companion Dog, Companion Dog Excellent, Utility Dog or any Obedience Trial

Championship. Score earned by dogs competing in this class are **not eligible for High In Trial**. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle each dog in all 6 exercises.

Open A: For any Newfoundland which has earned the title of CD but has not earned the title CDX. The handler of any dog in this class must be the owner or a member of the immediate family. Only one dog per handler is allowed in this class, and that person must handle the dog in all exercises. Any person who has trained or exhibited a dog that has earned a UD title may not handle a dog in this class. A dog which has earned its CDX title is not eligible for entry in this class but may be entered in the Open B Class. When a dog is wrongfully entered in this class, any score awarded will be cancelled.

Open B: For any Newfoundland which has earned the title of CD. Dogs which have earned the title of CDX or UD must enter the Open B Class. Dogs in this class may be handled by the owner or any other person. A person may enter or handle more than one dog in this class. The same handler must handle each dog in all 7 exercises unless he has 2 or more dogs entered. In such case, he must have an additional handler for each extra dog when they are judged together in the Group Exercises. No dog may be entered in both the Open A and Open B classes at any one trial. A dog eligible for entry in the Utility Class at any obedience trial held under these rules is also eligible for entry in the Open Class B at the same trial. Prior to the start of judging, the judge will decide the order of exercises to be performed. This order will not be disclosed to exhibitors until it is posted at ring side, approximately 30 minutes before the start of the class. In future assignments, judges are required to alternate the six orders of exercises so that each set will be used approximately the same number of times.

Utility Class A: For any Newfoundland which has earned the title of CDX, but has not earned the title of UD. Any person who has trained or exhibited a dog that has earned a MOTCh. title may not handle dogs in this class. The handler of any dog in this class must be the owner or a member of their immediate families. Owners may enter more than one dog in this class. The same person must handle the dog in all exercises. When a dog is wrongfully entered in this class, any score awarded will be cancelled.

Utility Class B: For any Newfoundland which has earned the title of CDX or UD. Dogs in this class may be handled by the owner or any other person. Owners may enter more than one dog in this class. The same person must handle the dog in all exercises. No dog may be entered in both the Utility A and Utility B classes at any one trial. Prior to the start of judging, the judge will choose which of the six numbered routines will be performed. This choice will not be disclosed to exhibitors until it is posted at ring side at least 30 minutes before the start of the class.

Non Regular Obedience Classes:

PLEASE NOTE: Dogs entered in non-regular classes must be entered in a regular class in the trial or for Exhibition Only.

Brace Class: Open to any 2 Newfoundlands that have earned the title of CD or higher. It is not necessary that the same person owns both dogs. The owner or any other person may handle a brace in this class. A person may enter more than one brace in this class. The same handler must handle each brace in all 6 exercises unless he has 2 or more braces entered. In such case, he must have an additional handler for each extra brace when they are judged together in the Group Exercises. The Brace Class is performed and judged in the same manner as the Novice Class. The 2 dogs shall be hitched together with a brace chain or coupling and are judged on the performance of the 2 dogs as though they were one.

Veteran Class: For any Newfoundland that has earned the title of CD or higher and is 7 years old or older on the day of the trial. The exercises shall be performed and judged as in the Novice Classes. The owner or any other person may handle a dog in this class. A person may enter more than one dog in this class. The same handler must handle each dog in all 6 exercises unless he has 2 or more dogs entered. In such case, he must have an additional handler for each extra dog when they are judged together in the Group Exercises.

GENERAL INFORMATION

- The Show Superintendent will be in full charge of the show which will be governed by CKC rules. All rules and regulations, as outlined in the Cornwall District Kennel Club's premium list will also apply to this Specialty.
- As soon as possible after entries close, the show-giving club shall send to each exhibitor, a confirmation of receipt of entry, an identification card, a judging schedule and a pass for the show. Such notification may be by electronic means when an email address for the owner or the agent has been provided on the entry form.

PLEASE NOTE: An exhibitor has the right to withdraw an entry up to the closing date and time as published in the premium list. This may be done by telephone but written or electronic notification must be received by the Show Secretary no later than the time and date of the official closing. If written notification is not received by that time, the dog will remain entered in the show and no refund will be made.

CHAMPIONS AND CHAMPIONSHIP POINTS

A dog awarded WINNERS at a Championship show shall be credited with a number of championship points (ranging from 0 to 5) and the number of championship points credited to a dog awarded WINNERS shall be as provided hereunder. The schedule to be employed in the determination of the number of points awarded WINNERS shall be as follows:

Competing*	1	2	3-5	6-9	10-12	13 or more
Points	0	1	2	3	4	5

*Includes the dog awarded Winners

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall **NOT** be included in the calculation for points. If a dog awarded WINNERS is also awarded BEST OF BREED at the show, then all dogs competing in the breed, including Specials Only, shall be included in the total. If a dog awarded WINNERS is also awarded BEST OF OPPOSITE SEX to Best of Breed, then all dogs of the same sex including those competing for Specials Only shall be included in the total. If a dog awarded WINNERS is also awarded BEST OF WINNERS, then all dogs defeated directly or indirectly in the breed shall be included in the total. If a dog is awarded WINNERS only, then all the dogs of the same sex in the class competition shall be included in the total. The number of championship points to be credited to a dog awarded WINNERS shall be determined by the highest award earned and calculated as per this Section.

CLARIFICATION: Example of directly or indirectly defeating: If the Winners Bitch is awarded Best of Opposite Sex but not Best of Winners, the Best of Winners Male shall be deemed to have indirectly defeated the Specials Bitches, and is thus entitled to add them to the number of dogs and bitches defeated.

In order for a dog to be recognized as a Champion and its owner provided with a

Championship Certificate, the dog must:

- a) earn at least 10 championship points under at least 3 different judges and
- b) be registered in the records of the CKC, have an Event Registration Number (ERN)
- c) have earned at least one 2 point win either at the breed or group level

The board interprets the words "earn at least 10 championship points under 3 different judges" to mean:

- a) 3 or more Winners awards at not less than 3 different shows, under 3 different judges at the breed level
- b) each of the 3 Winners awards must have earned one or more championship points, not necessarily at the breed level
- c) all the points required for championship status may be earned at the breed or group level or a combination of both breed and group level

An error in the class, date of birth or sex may be amended on the entry form up to one hour BEFORE the start of the show.

SHOW ETIQUETTE

(Section 19.7 of CKC Dog Show Rules)

It shall be the duty and obligation of the show giving club to see that a judge, club official, volunteer, or any participant at an event is not subject to indignities. The Conformation Show Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred.
