Notice to Competitors – General Information

The trial will be run in accordance with CARO rules and regulations – the judges will explain the rules for the event during the Judge’s briefing held immediately before it.

An officiating Judge, and/or the Chairperson of the trial, may dismiss from the trial site any person subjecting the Judges, or members, or the organizing committee to abuse, whether that person is competing in the trial or not.

There shall be no refunds for entries withdrawn after the closing date, or in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal. However, refunds will be issued for dogs that come into heat or are injured, provided a veterinarian’s certificate is received by the Trial Secretary prior to the trial.

Physically challenged handlers and dogs are encouraged to participate. Modifications of the course for both handler and dog are permitted, at the judge’s discretion. If the handler has any concerns regarding the judge’s decision, or wishes to challenge it, the handler should be prepared to present a “letter” from a veterinarian stating that the dog is fit to compete. The judge will then consider this in the final decision. As all injuries are not always obvious or consistent, the judge shall have the final discretion on the day of the trial. All requests for modifications to a course must accompany the Entry Form (registration form) for the trial. The request should be in writing and should explain the handicap and the modification(s) requested. For more information please contact Joan Richard at koassm@gmail.com.

Dogs can be shown on a flat buckle or snap collar or plain harness. No choke, martingale, prong or shock collars, head halters or no-pull harnesses are allowed. Leashes should be made of fabric or leather and be long enough to provide adequate slack. All dogs in all classes must enter and exit with a collar and lead, but all dogs must be shown off leash at this level.

All dogs must be penned, crated or leashed when not in the ring, and may not be tied to any obstacle, permanent or temporary, anywhere on the grounds of the trial site. Dogs are not to be left unattended unless appropriately crated. Any exhibitor whose dogs create unnecessary disturbances (including continuous barking while not on the competition field), or engage in unsafe or disruptive behaviour, may be asked to leave the trial site. There will be no refunds for entries if an exhibitor is dismissed from the trial site for any reason. Please be considerate of competitors and refrain from using clickers or squeaky toys while a dog is in the ring. No flexi’s are permitted in or around the trial area. Safety shall always be first; please act accordingly!

No food is allowed in the Working level.

Rules can be found at www.canadianrallyo.ca. **NOTE: NEW RULES - Check CARO website for updates.**

In order to qualify for a Working Title, a dog must earn three (3) passing scores, under two different Judges, in each of the five (5) exercises at the subdivision level at which they are competing. The team does not have to pass all five exercises at once. Any exercise passed will be credited to the dog.
