

## It's Not too Late to Join the Seminar!

Noted Veterinarian and Dog Show Judge **DR. TERRIL UDENBERG** will be hosting a seminar on **DOG ANATOMY** Saturday July 27 after the show at 5:45pm. This is your chance to find out more about your dog's anatomy. The Seminar is offered on site . Cost is only \$35 and that includes dinner! This special offer is only at Pacific Kennel Club and a savings of almost \$75.

Email Glenn and tell him you're coming and he will sign you up. Email ([glenn@mesichmediaadvert.com](mailto:glenn@mesichmediaadvert.com))

Put **Seminar** in the subject line. You can pay at the show secretary's table before noon on Saturday .

## Have you reserved your Day Tent or Overnight RV spots?

Spaces are limited. No day tents allowed at ringside

RV Parking starts at 3:00pm Wednesday please be patient . We want everyone to be comfortable.

Deadline for parking is noon on July 20 register here <https://secure.goto-enter.com/enter.php?Host=PKC&ID=1307R> Late registration will pay by Cash or cheque when entering the park.

Just a reminder that it can get **HOT**. Make sure you have lots of cool water for your dogs and Don't Leave your Dog in the Car or in the hot sun.

Our Parking attendants are volunteers. PLEASE BE NICE TO THEM. Day Parking is \$3.00/day. We have a **drop off area** under a tent near the rings. Please Drop your dogs off then return and park in the lot. Arriving late is not an excuse.

Handicap parking is in a designated area please respect those who need to use those spots

# We are a NO SMOKING SHOW

If caught we will take appropriate action

Bette's Bistro available for breakfast and lunch in the Quonset hut.

**Yup More rules!** Hazelmere RV Park is generous to let us use their park. We want to keep using it.

Please help us keep it clean by recycling cans and picking up after yourself and your dogs.

We appreciate it and so do the grounds keepers.

Thanks for being part of the green team

We are operating this year as a Zero Waste Event, meaning, we are trying to get down to as close to zero garbage as possible. Our goal is to have only 1 garbage bin at the end of 4 days. Recycling will be easy.... with clearly marked containers. Bette's Bistro will be serving all her food on compostable or recyclable containers.

We are trying to minimize the number of plastic bags of dog waste that go in the garbage by providing pooper scoopers and buckets that will be picked up by a dog waste removal company and disposed of in the Metro Vancouver Sewage Treatment.

No bottled water will be for sale, but ample tap water will be available in jugs and recyclable cups for you to help yourself,

Please help us reach our goal of making this perhaps the first Zero Waste Dog Show. If you bring your own coffee mug or water bottle it will help minimize even the number of recyclable beverage containers that are used. We are excited about this challenge

**One More !** *Please do not leave your crates or equipment at ring side after showing.* Shade is limited we must share it. All crates etc left overnight will be sold at auction the next day to the lowest bidder.

Okay the LAST thing,

**HAVE FUN and Thanks for coming!**

Just in case you need to talk to someone: kathy -1-250-245-0670 call or text
