

Directions to Trial Site

From Calgary:

Take **#2 South**, then head **West on #3**, then head **South on #6 - Pincher Creek**. You will be skirting the edges of town so be sure that when you come to the traffic circle you go $\frac{3}{4}$ of the way around that will keep you on **#6**. At the traffic lights, there is only one set, take an odometer reading as it is **16.5 K on #6 South** to the turnoff. You will be going South toward Waterton Lakes National Park. You will be turning west (right) onto **Township Road 45 - A**. It is a gravel road. Follow for **2k**. As you come over the hill you will see the farm. If you go under a train trestle you have gone too far! Turn around come North and take the first turn to the west (left). We have a lot of deer, elk and moose in this area so watch for them when driving from Pincher Creek to the farm please. I will have bright orange Cardigan's marking the trail from the highway.

Motels & Camping

Stardust Motel

Phone:403-627-4366

Fax: 403-627-5947

979 Waterton Avenue

www.thestardustmotel@shaw.ca

This is both a popular holiday area and high oil and gas. I would recommend that you make your reservations as soon as possible.

Camping will be available on site by reservation, please see RV form, and mail with entry or e-mail RV form to anita.thomson@telus.net

For those camping **please stay at gate** and someone will come and help you park. It is **dry camping** so be prepared.

Lunch will be provided and there will be snacks, water, etc around all day as well as coffee, muffins and fruit in the morning. There will be a "**DONATION**" bucket set up to help offset the costs. It will be a full lunch on "real" plates so not to worry. Nobody goes hungry around here! We are pretty environmental around here so there will be plastic, cardboard, and metal bins set up for recycling. There will be no paper cups etc. so be sure to bring a go cup for coffee and a water bottle for cold liquids. If you do not have one, one will be provided to you for the weekend. We have bears so garbage **MUST** be kept locked up until hauled to town.
