AAC Agility Class Descriptions

Standard

Starters Standard runs are for dogs that have not earned the title Agility Dog of Canada (ADC). A dog must achieve three clear rounds (qualifying runs, or Qs) to be awarded the ADC.

Advanced Standard runs are for dogs that have earned the ADC title but have not earned the title Advanced Agility Dog of Canada (AADC). A dog must achieve three clear rounds to be awarded the AADC.

Masters Standard runs are for dogs that have earned the title AADC. A dog must achieve three clear rounds to be awarded the Master Agility Dog of Canada (MADC) title.

Masters Challenge is open to dogs competing at the Masters level in the Standard class. Required equipment is the same as in Standard courses with the possible addition of the broad jump, table, wall jump, or panel jump, but course design emphasizes handling challenges that are more technical than those in a Standard class. This class is also open to Starters and Advanced dogs entered as FEO ("for exhibition only"). Test your skill!

Gamble – Jumpers, Snooker, and Gamble

To move into an Advanced game from a Starters game, a dog must earn two clear rounds in that game at the Starters level. To move into a Masters game from an Advanced game, a dog requires three clear rounds in the Advanced game. Each Masters game title (MJDC, MSDC, and MGDC) requires four clear rounds in that game. The Agility Trial Champion of Canada (ATChC) title requires four clear rounds in each of Jumpers, Snooker, and Gamble, plus three Masters Standard clear rounds.

Team and Steeplechase

These classes are open to dogs competing at any level.

SPECIALS AND VETERANS CLASSES

Specials classes are for dogs whose handlers choose, because of their dog's physique, age, or other reasons, not to have their dog jump at the standard height for its shoulder height. Heavier dogs such as Rottweilers and Labradors may do much better over the long term in Specials classes.

Veterans classes are for dogs seven years of age or older and dogs five years of age or older that have been competing in the Specials class for a minimum of 12 months. For dogs in both Specials and Veterans classes, the height of the jumps and A-frame are lower than for dogs in the Regular class. Course times are longer for the Veterans class. A dog may no longer compete in a non-Veterans class once it has been in any Veterans class. Dogs moving into Veterans or Specials from Regular classes take their titles with them.

Trial Rules:

This event is held under the AAC Rules and Regulations (as of January 1, 2022) and is open to all dogs, purebred or mixed breed, that are at least 18 months old, except lame, blind or aggressive dogs, or dogs suffering from any deformity, injury, or illness that may affect their physical or mental performance. Capital Comets is not currently participating in the AAC pilot project to allow bitches in season to compete in 2022. If a competitor's bitch comes into season during the trial, he or she will be allowed to withdraw and registration fees for that dog will be refunded or credited towards a future trial.

By submitting an entry, exhibitors agree that they know and understand AAC Rules and Regulations, including but not limited to the following:

- 🐕 Obstacles shall be chosen from those described in the current edition of the AAC Rules and Regulations and shall conform to AAC specifications.
- 🐕 At the handler's discretion, a dog is allowed to wear a close-fitting collar, with no attachments, in the ring.
- 🐕 Senior handlers (65 years and over) and handlers with disabilities may request a modified course time and a modified points requirement. Host clubs will not request proof of disability or age. A handler must indicate before the trial if entering as a senior/disabled handler to receive modified times/reduced number of points. Contact the trial secretary to make this request.
- 🐕 The entire Saanich Fairgrounds is an **on-leash** area. Employees of this privately run facility have the authority to ask exhibitors to keep their dogs on leash while not in the ring, or to leave the facility. No refunds will be offered to people who are asked to leave.
- 🐕 No food, toys or any other aids or devices are permitted on course. At the discretion of the HOST CLUB, toys (but no squeaky toys or toys holding food) MAY be allowed on course for FEO runs or familiarization for Starters Dogs only. If toys are allowed, please consider the dogs running before and after you, because your toy may distract a dog on course and overexcite the dog following you.
- 🐕 All dogs must be kept in a vehicle, pen, crate, or on leash when not in the ring. All dogs must be in control when entering and leaving the ring. Any dog engaging in aggressive, out-of-control behaviour will be disqualified and/or be required to leave the Fairgrounds. In such cases, fees will not be refunded.
- 🐕 Exhibitors are responsible for the behaviour of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behaviour may be asked to leave the venue. In such cases, fees will not be refunded.

Additional Information

Volunteers

All entrants must help with the trial. Draws for volunteer prizes will be drawn on Saturday and Sunday. Thank you in advance. Without volunteers we would not be able to hold trials.

Junior Handlers

Before entering any trials, junior handlers must obtain a junior handler identification card. An application form is available at <http://www.aac.ca/en/forms/main>. Junior handlers may enter any event. Refer to chapter 4 in the AAC rule book for all relevant regulations. Jr. Handler runs are a reduced rate of \$8.50.

Camping, Crating, Check-In and Measuring

Camping is available for this trial (\$45/night powered; \$32/night power-free).

Please crate your dog(s) in your vehicle or in tents in designated areas.

- 🐾 **Tents and crating may be set up starting at 3:30 p.m. Friday.**
- 🐾 **First dog on the line is at 5 p.m. Friday.**
- 🐾 **First dog on the line is at 8 a.m. Saturday and Sunday.**

Please do not arrive at the Fairgrounds before 7 a.m.

Measuring

To compete, dogs over 2 years old need two official measurements, their final height circled on their permanent Dog ID card, and this card signed by the judge of record at the trial. Dogs under 2 years need only one measurement on their temporary card until they turn 2, at which point they require official measurements. You do not need to have your under-2-year old dog measured at every trial.

Equipment Familiarization

Familiarization is for starters dogs only, to allow them to try out the contact equipment.

Move-Ups

Same day move-ups are possible. See the trial secretary on-site.

Adding a Run

If you wish to add a run, this may be done at the discretion of the trial secretary and depends on the total number of runs per day.

Veterinarians on Call

Central Saanich Animal Hospital is two minutes from the trial site, at 1782 Stellys X Road, at the Wallace Drive intersection. The phone number is 250-652-4312.

Entries, Cancellations, and Refunds

Entries:

The number of entrants is limited. When the allotted number of handlers/runs has been reached on the Agility Rocks program, the program closes. To have your name put on a wait list, email the trial secretary at cometstrialsec@gmail.com. Capital Comets reserves the right to refuse any entry.

Anyone not in good standing with AAC or Capital Comets will not be allowed entry.

Please use online payment if possible, either through PayPal or by e-transferring to Capital Comets treasurer, Cindy Rodgers, at cctreasury@capitalcomets.ca. However, to use any gift certificates as part of your entry fee, please email these as a pdf to Cindy Rodgers (cctreasury@capitalcomets.ca) or mail these to the trial secretary plus your cheque for the balance. Make cheques out to "Capital Comets Dog Sports Club" and date them **on or before** the trial closing date. There will be a \$30 charge on NSF cheques.

Cancellations and Refunds:

Refunds for cancellations after the closing date will only be given in these cases:

- 🐾 Handler illness,
- 🐾 Pregnant or in-season bitches, or
- 🐾 Injury to a dog that physically prevents it from competing. **NB:** Capital Comets may request a vet's note to confirm a dog's injury.

Refunds requested for any other reason than the above will be handled on a case-by-case basis and will be at the discretion of Capital Comets Dog Sports Club.

Jump Heights for AAC Divisions and Categories (effective January 1, 2021)

Your dog's height category is based upon its measured height as entered on its AAC ID card. For Veterans, all jumps shall be set one or two jump heights lower than would be required in the Regular classes, but a dog must jump at that height for the entire trial for runs to count toward qualifying rounds. For Specials, all jumps must be set one jump height lower than would be required in the Regular classes. For Junior Handlers, dogs must jump one height lower than their regular jump height or, if the dog is already running at a Specials or Veterans jump height, may jump one height lower than that.

Division	Category			
	Regular	Special	Veteran	Double Dropped Vet
Mini	8"	4"	4"	n/a
Medium	12"	8"	8"	4"
	16"	12"	12"	8"
Open	20"	16"	16"	12"
	24"	20"	20"	16"

AAC Dog ID Card

All dogs MUST have an ID card to compete in AAC sanctioned events. It is used to record the dog's jump height and, when signed by the required number of judges, eliminates the need for repeated measuring. You can email a scan of your dog's completed ID card to the trial secretary to keep on file. Apply for your Dog ID Card at www.aac.ca.
