- a) An annual non-member participation fee for awards and titles will be charged to a non-member of the CKC. The fee will match the ERN fee.
- b) In order to protect the awards/titles earned, the non-member will have a choice either to become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be cancelled.
- c) These fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members.

Attention Foreign Exhibitors

Please note that fees are due and payable in Canadian dollars. Due to consistently fluctuating currency rates, discounted cheques will not be accepted.

Personal cheques will be accepted, however, they are to be payable in Canadian funds. If you send a cheque in US funds, it must be made out for the full amount of the entry and no exchange will be refunded to the exhibitor.

Please do not mark cheques "Payable in Canadian Funds" or "At Par". They will not be cleared by the banks.

To simplify the process, we urge that you purchase bank drafts or money orders payable in Canadian funds.

Your understanding and cooperation is appreciated. Thank You.

Ika Peiler - Conformation Judge IWCC BC Regional Specialty

Our first Irish Wolfhound came to us in January of 1982, and Ulli and I registered our prefix Knocknarea with the Irish Kennel Club soon after. We were fortunate to find fantastic mentors in Elizabeth C. Murphy (Carrokeel), Jim Behan

(Bearnabui) and Tony Redmond (Atharne) who not only introduced us to the wonderful world of showing and breeding Irish wolfhounds but became lifelong friends. They instilled in us a sense of responsibility to always aim for a typical wolfhound, sound in body and mind. We were lucky that at the time when we started there were many great kennels around with excellent hounds to train our eyes on.

Our first litter arrived in 1984. We soon improved on our foundation stock, and our first homebred Specialty BIS winner was Knocknarea Briciu who won the 1988 IW Club of Ireland Specialty under Cynthia Boissevain.

We competed until 2009, winning ten breed Specialty BIS - six in Ireland and four in the UK. Two of the successes stand out the most: the English Club show 1998 with that year's Crufts BOB winner Juxitalia Macmathuna of Knocknarea, and then again in 2002 with his son, Knocknarea Phelix. In that period we also had four BOS Specialty wins, twice taking the double. We had numerous Hound Group winners and several BIS at All Breed shows. Other achievements include Runner-Up Show Dog of the Year and five Annual Champions (Top IW Ireland). In all we bred twenty-six litters, with our last litter arriving seven years go. Twenty Knocknareas became champions in their new homes abroad.

I started judging Irish wolfhounds at Championship level in 1993. Although I have a judging license to judge some other hound breeds I prefer to stick with "my" breed and consider it a great honour to be invited to judge at your show. I am looking forward to seeing all your beautiful hounds – and their owners. Thank you for allowing me to go over them. Please, show them on a loose leash.

Roger Tebbutt - Conformation Judge IWCC Specialty

I have lived with Irish Wolfhounds for forty years. Debbie and I have had

some notable successes in the show ring, including major hound group wins and Best

of Breed at Crufts. To have won the Graham Shield three times for Best in Show at the Irish Wolfhound Club Championship Show (UK) is particularly thrilling.

We have bred and owned several influential stud dogs; it is wonderful to have owned and exhibited UK champion hounds of the caliber of, among others, Yankeedoodle, Jupiter and Galileo, and to see the extent to which their bloodlines have spread through their progeny.

I love to watch fit, agile hounds hunting in rough country, and we are fortunate that the farm is a good environment to raise and exercise our hounds. I am constantly aware of the history and purpose of our breed, and keep in mind Captain Graham's vision of the hound when I am judging. In addition to my UK appointments, I have judged wolfhound specialties in several European countries and in North America; I also had the pleasure of judging our second breed, Bassets Fauve de Bretagne, at Crufts 2010.

I have a huge affection for BC, so I am really looking forward to meeting you and your hounds in September

Sid Wood – IWCC BC Regional Specialty Sweepstake & Jr. Handling Judge

For as long back as I can remember, I had always known there would be Irish Wolfhounds in my life. I never read the stories about them, yet somehow I knew they would be in my future. I clearly remember having my mother take me to an All Breed show when I was 13 years old, and seeking out the one lone Wolfhound entry. I approached the ex-pen he was in, and stood eyeball to eyeball with him - It was like magic! That moment clinched the deal for me, and I knew the day would come when I would be raising them. In February 2002, Kevin and I brought our first hound home – Karontara Boba Fett. Less than 2 years later, we acquired my foundation bitch, Jadzia Freesoul of Castlekeep. Despite the heartache that can come with this breed, we have never looked back, and cannot imagine life without Wolfhounds. I have been breeding under the Arahu prefix since 2008. While still fairly new to this breed, I am lucky to count among my closest friends breeders who have been studying the breed for much longer. It has been a great privilege to learn from these friends and mentors, and to meet so many more wonderful and knowledgeable people along the journey. One of the great things about learning is that it never ends.

Right from our first hound, we have been involved with lure coursing. I admire nothing more than a hound who can both excel in the ring, and tear up the coursing field as well! I also admire the people who compete in both realms. While conformation showing is important for

maintaining the breed standard, it is on the field where the hounds have the real fun and take my breath away. It is unfortunate that so few hounds have the natural inclination to want the chase the bag. I have been waiting many, many years for another coursing hound!

One of the primary focuses I have for my hounds is to rear them as naturally as possible through diet, natural remedies, clean living, and minimizing stress. It is my firm belief that each generation becomes more robust and vital. It may not be the answer to the many health concerns within our beloved breed, but I do believe that each successive naturally-reared generation can withstand and fight disease better than the previous generation, and enjoys an excellent quality of life right up to the very end. I strive to breed and raise correct, strong, athletic hounds that possess free and easy movement – hounds that could do the job they were originally bred for.

I am honoured to be invited to judge at this wonderful show. I very much look forward to meeting and going over all of your lovely puppies and hounds.

IWCC National Specialty Sweepstake & Jr Handling Judge Lis Henry. Meille

Our first Irish Wolfhound, Carney, came home in the spring of 1970 and left us just short of his 10th birthday. If memory serves, in his first show at six months, he won a jam pot and spoon which we still treasure.

Puppies! All knobs and legs and so beautiful, showing the promise of the

great hound within.

You will not know me...a founding member of the IWCC, a committed worker for same in its early years and a breeder of Wolfhounds under our Meille prefix and Clumber Spaniels under Llunet. Our current household is the keep of seven...the eldest being a ten year old venerable Chow and the youngest our IW DelRio who turns three in December. We were fortunate to start with the great lines of Fleetwind and Ambleside in our hounds.

Thank you for letting me pinch hit! I look forward to meeting your puppies!

WHAT IS LGRA?

LGRA is sprint racing for Gaze hounds. The hounds run 200 yards straight after a lure consisting of a fur bag and squawker. Up to four hounds race a total of three times, called programs. Depending on the order of finish, they may attain national points towards a GRC (Gaze hound Race Champion) title. Hounds will be hand slipped. More information can be found at www.lgra.org

Hounds need to be one year of age or older to be entered. They will also need to be registered with LGRA. This can be done the first time the hound is raced by including a photocopy of the hound's registration papers (either Canadian or American) with the entry. After registration, your hound will receive an LGRA number that will be used in entering future LGRA meets.

HOUNDS WILL NOT BE ALLOWED TO ENTER WITHOUT A COPY OF PROPER REGISTRATION AT THE TIME OF ENTRY. NO EXCEPTIONS WILL BE ALLOWED.

All hounds will run muzzled to prevent damage to the squawker. It is recommended that hounds be accustomed to a muzzle before the event. A limited supply of racing muzzles will be available for use so please bring your own if possible. Numbered racing blankets will also be available. Bitches in season are not allowed to compete.

Previous experience is not required. Time allowing, several practice runs will be held for new hounds.

Dogs five (5) years of age or older are considered Veterans for Straight racing.

Try it and see – your hound may surprise you!

Volunteers are also welcome. We need help with catching hounds, releasing hounds, line and foul judging. We will train you at the meet. All support is appreciated.

Details and premium list will be posted on the Club website.
